

*Hi,  
We are passionate about  
competition economics.  
How about you?*

Do you enjoy applying rigorous economic analysis to real-world problems?  
Would you like to cooperate in a team of talented consultants to make a difference?

If so, E.CA Economics is the right place for you. We are constantly looking for bright people to join our team. As an international research-based economics consultancy, E.CA carries out rigorous economic analysis to help international clients in high-profile competition cases.

**We offer:**

Internship opportunities
